00:44:11 Irwin Goldstein, MD, IF: NOEL IS ROCKING THIE PHYSIOLOGY
00:49:22 Irwin Goldstein, MD, IF: EVERYONE HEAR THIS - BOTH ANDROGENS
AND ESTROGENS ARE IMPORTANT FOR VAGINAL AND VESTIBULAR HEALTH!!!!!!!!!!!!
00:50:30 Estela Citrin: absolutelly!
00:50:42 Kathleen LaRocque: ❤️❤️❤️❤️

00:51:09 Irwin Goldstein, MD, IF: THERE ARE 5 TIMES MORE TESTOSTERONE THAN ESTRADIOL IN WOMEN!!!!!!

00:52:56 Selcen Bahadir: And some molecules like drospironon too bad for vestibular tissue

00:58:17 Ashley Winter: these should also be approved for recurrent UTI prevention in post menopausal patients!

00:58:24 Ashley Winter: if only ...

00:58:30 Rachel Rubin, MD, IF: preach

00:58:47 Irwin Goldstein, MD, IF: HI ASHLEY WINTER - WE LOVE YOU

00:58:59 Ashley Winter: I LOVE ALL OF YOU TOO

00:59:12 Ashley Winter: THESE PRESENTATIONS ARE AMAZING. IM OBSESSED

00:59:31 Irwin Goldstein, MD, IF: WHY DO WE ALWAYS MEET ON ELECTION DAY???

01:00:04 Irwin Goldstein, MD, IF: SMILES

01:00:15 Ashley Winter: I pray for happier election days 🙏

01:00:51 Eva Mathews: I think I have worked in GSM and estradiol into every one of my residency interviews so far so I'm just eating this up!!! Such an exciting field.

01:01:06 Rachel Rubin, MD, IF: yay Eva

01:01:28 Sue Goldstein: Only the 4 of us understand the election day reference!

01:01:43 Selcen Bahadir: Only option in our country is vagifem

01:02:30 AIMEE CLOUTIER: yes!!

01:02:31 Sue Goldstein: Selcan, I hope you get more options in the future but something is better than nothing as a start...

01:02:54 Selcen Bahadir: But it makes amazing changes 🙏

01:03:31 Megan Jasko PA-C: How do we get the FDA to change this? Scares SO many patients

01:04:45 Irwin Goldstein, MD, IF: GREAT THERAPY FOR RECURRENT UTIS

01:06:10 Irwin Goldstein, MD, IF: GREAT GREAT TALK

01:07:57 dr.kameelah@gmail.com: Great talks. Thank you

01:08:10 Kristin Butterfield: do you think we can get a copy of these slides?

01:08:54 ISSWSH Office: The ISSWSH Executive Office will be certain these slides are made available, yes.

01:09:06 Kristin Butterfield: thank you

01:09:19 ISSWSH Office: You are most welcome! :)

01:09:33 nada ibrahim: thank you!

01:10:06 ISSWSH Office: Our pleasure, truly. ☺

01:10:25 Alessandra Jurtinus: Are there still the same contraindications when prescribing estrogen therapy to menopausal patients as there are when prescribing estrogen to non-menopausal patients? (example: smoking, migraines with aura, HTN, etc)

01:11:10 ISSWSH Office: We welcome any questions in the Q&A box.

01:13:35 ISSWSH Office: This so we can be certain no questions are missed and the faculty will likely have time at the end of this webinar to address them. Thank you!

01:14:01 Sue Goldstein: The slides will be available as will the recordings—you don't need to take screen shots. Just enjoy the talks!

01:14:12 Alessandra Jurtinus: Thank you!

01:16:55 Andrea Martin: So cool to know the labia can grow back!

01:19:29 dr.kameelah@gmail.com: are you measuring progesterone, estrogen, test levels with treatment or was that for research purposes only? Should we just follow clinically or aiming for "normal" values

01:19:53 ISSWSH Office: We welcome any questions in the Q&A box. This so we can be certain no questions are missed and the faculty will likely have time at the end of this webinar to address them. Thank you!

01:20:20 Sue Goldstein: We measure the labs pre-treatment, then after 6 weeks or 3 months of treatment to see the response and to maintain safety

01:27:36 dr.kameelah@gmail.com: Fabulous!!! So grateful for your expertise

01:27:38 Kathleen LaRocque: Amazingly compact presentations!

01:28:05 Jenna Perkins: Awesome! I love prasterone 🙌

01:29:52 Sue Goldstein: Kudos to the panel!

01:30:01 Tami Rowen, MD, MS, FACOG, IF: For breast CA avoid creams

01:30:10 Shelagh Larson: Is intrarosa the only DHEA product? do we need to compound a DHEA formula? My patients are low income

01:30:28 Angela Rutkowski: Thank you everyone for this session!!

01:30:37 Tami Rowen, MD, MS, FACOG, IF: Higher systemic absorption with creams

01:30:47 Tami Rowen, MD, MS, FACOG, IF: But still dont need progesterone

01:32:35 Selcen Bahadir: Thanks 🙌

01:33:02 Olufenwa Milhouse: great panel.

01:33:54 Yumi Ando: More of these please!

01:34:48 AIMEE CLOUTIER: to any prescriber: is testosterone FDA approved for vulvovaginal use yet? i know it's available "off label" for these types of conditions

01:35:02 Kristin Butterfield: are there any more free webinars coming up?

01:35:17 Kristin Butterfield: yay

01:35:18 Sue Goldstein: Testosterone for women is approved ONLY in Australia

01:35:19 Olufenwa Milhouse: yes! more webinars.

01:36:15 Olufenwa Milhouse: 🙌🙌🙌🙌 nicely said

01:36:22 Andrea Martin: Yay thank you everyone!!

01:36:23 ISSWSH Office: Any questions not answered now we will be sure they are included in final documentation that will be shared with all! Thank you!

01:36:25 AIMEE CLOUTIER: 🙌🙌

01:36:27 Kathleen LaRocque: Thank you!! Amazing!!

01:36:28 Alessandra Jurtinus: Thank you!

01:36:29 Julie Bottarini: Thank you this was so helpful!

01:36:39 Sarah Casali: Thank you!

01:36:41 Kathy Pesavento: Thanks! Great webinar!

01:36:42 dr.kameelah@gmail.com: Thank you!! Good night

01:36:42 Lindsay Cannon: Thank you all! It's awesome to be able to learn about this stuff while still a student

01:36:42 Eva Mathews: See you in March!!!

01:36:43 Heather McLennan: This was great! Thank you!
