

HELP SUPPORT IMPORTANT PATIENT RESEARCH

ISSWSH MEMBER-INITIATED SURVEY

Patient Perspectives on Male Medical Trainee's Participation in Pelvic and Genitourinary Examinations

This survey seeks to better understand patients' experiences and perspectives regarding the participation of male medical trainees in pelvic and genitourinary examinations.

Your voice can help inform respectful, patient-centered care.

HOW YOU CAN HELP

Share the survey link directly with patients during visits or through patient communications.

Display or provide the QR code in your clinic (e.g., printed handouts, waiting room materials, or exam rooms).

Include the survey in patient newsletters or portal messages, if applicable.

ACCESS THE SURVEY

Scan the **QR code** with your phone's camera or **visit the link** below:
